

Name _____

Couplet Creators

Directions: Look at each pair of rhyming words provided. Write one sentence that uses both words, making sure they come at the **end of the sentence or phrase** to highlight the rhyme. After writing all your sentences, reread them aloud smoothly and with expression. Practice saying each rhyming pair aloud three times to strengthen fluency.

1. cat / hat

2. log / frog

3. bake / lake

4. sing / ring

5. night / light

Follow-Up Task: Choose your favorite rhyming sentence from above. Rewrite it as a short two-line rhyme (like a couplet). Read it aloud with rhythm and expression three times.
