## Polite Conversation Fix

**Directions:** Read the conversation below. It includes rude or inappropriate comments. Rewrite it to make the conversation polite and kind. Then, practice acting it out with a partner using friendly tone and body language.

**Jake:** You're too slow at finishing the game. Hurry up!

**Lila:** Well, maybe you should just play by yourself then.

**Jake:** Fine! I don't want to play with you anyway.

Rewrite the same conversation so Jake and Lila handle the situation respectfully:

**Now Act It Out:** Use calm voices, kind words, and friendly expressions while performing your new version of the dialogue.

### Reflection Questions

1. How did Jake and Lila's new version of the conversation sound different from the original one?

\_\_\_\_\_

2. What words or tone helped make the new conversation more polite?

\_\_\_\_\_

3. How can you use what you practiced today in real life?
