

Name _____

Word Surgery Station

Directions: Each of the words below hides smaller parts that build its meaning. Your job is to "dissect" the word like a scientist-label the **prefix**, **root**, and **suffix**, then explain what the whole word means. Use your knowledge of Greek and Latin roots to uncover the full meaning!

1. Unbelievable	2. Reconstruction
3. Transportation	4. Prediction
5. Disrespectful	6. Microscopic
7. Incredible	8. Biography
9. Miscommunication	10. Antifreeze

Bonus Challenge: Create your own complex word using a prefix, root, and suffix. Define it in your own words, and explain what each part contributes to its meaning!
