

Name _____

S Blend Sentences Answer Key

1. slide
2. skate
3. stairs
4. smell
5. snow
6. spin
7. scarf
8. swim

Teacher's Guide

- Preview the word bank with students and have them **read each S-blend aloud**, emphasizing the beginning sound.
- Support developing readers by modeling how to reread a sentence and check which word makes sense.
- Provide a picture cue for students who need extra help by sketching simple visuals next to each sentence.
- For an extension activity, ask students to create two new sentences using any S-blend words or to sort the completed words by their blend patterns.
