

Name _____

Starter Blend Builder Answer Key

1. E. op (st + op = stop)
2. C. it (sp + it = spit)
3. B. ate (sk + ate = skate)
4. A. ide (sl + ide = slide)
5. D. ow (sn + ow = snow)

Teacher's Guide

- Model the blending process by pointing to the blend, sliding your finger to the ending, and reading the word smoothly.
- Support early learners by having them **say each sound aloud** before drawing their matching lines.
- For students who need extra practice, provide magnetic letters or blend cards so they can build the words physically.
- For an extension, invite students to use one or more new words in a simple sentence or draw a picture that shows the meaning of a completed blend word.
