- **During Activity:** Encourage students to use context clues in each description to determine the correct match.
- **Differentiation:**
  - For struggling readers: Read descriptions aloud and discuss unfamiliar words like "accused" or "confession."
  - For advanced students: Have them add one new fact about each figure after matching.
- **Engagement Tip:** Let students work with a partner to talk through clues together.
- **Extension Ideas:**
  - Students write two original descriptions about other figures involved in the trials.
  - Create a short timeline of three important events in the Salem Witch Trials.
