color

pencil

Lena pushed a small _____ across the yard during the picnic. Her _____ helped her load it with snacks, including a bowl of fruit _____. On the way, she noticed a tiny _____ running in circles near the fence. It looked lost, but the _____ was easy to solve once she called her neighbor. They said the pet had a _____ tag and belonged to a _____ house on the next street. Lena smiled because the day turned out _____ from what she expected, but still full of fun.
