

Name \_\_\_\_\_

## Schwa Story Fill Answer Key

1. wagon
2. family
3. salad
4. animal
5. problem
6. color
7. different
8. pencil

Note: All selected words contain a schwa in at least one syllable.

### Teacher's Guide

- Review that schwa words often appear in multi-syllable words and typically sound like uh in unstressed syllables.
- Read the passage aloud to model how schwa words blend naturally in connected text.
- Support students by having them cross out word choices that do not fit meaning before choosing based on schwa knowledge.
- For extension, ask students to write two new sentences using three schwa words from the word box or identify which vowels in the completed passage make the schwa sound.
