

Name _____

Schwa Word Riddles Answer Key

- library
- salad
- animal
- button
- wagon
- camera
- pilot
- ferret

Teacher's Guide

- Review that schwa is a weak vowel sound often spelled with any vowel letter and sounding like uh.
- Read each riddle aloud to help students use meaning before checking for schwa.
- Support students by offering a word bank for learners who need it or by modeling how to test a word aloud to hear the schwa.
- For extension, let students create their own riddles that include schwa words and trade with a partner to solve.
