Narrative Sensory Upgrade

Directions: Read the narrative excerpt below. Rewrite it by adding sensory imagery that deepens the emotion, theme, or character experience.

Jordan stepped into the old greenhouse, unsure of what he might find. The room was quiet, and he walked slowly toward the center table. He paused, thinking about the last time he had been there.

Rewrite the excerpt with stronger sensory details:

Reflection Questions

1. Which **senses** did you choose to add and why?

2. How do your new sensory details shape the **emotion** of the scene?

3. How might these changes support a **theme** or deepen character experience?
