Flow With Transitions

Directions: Transition words (such as **however**, **therefore**, **meanwhile**, **instead**, **finally**) connect ideas smoothly and show relationships between sentences. Rewrite each group of choppy sentences into **one or two expanded sentences** by adding an appropriate transition word. Below is an example.

- Choppy: I was hungry. I forgot my lunch.
- Combined: I was hungry; **however**, I forgot my lunch.

1. The bus was late. We arrived on time.

2. She studied very hard. She passed the test.

3. It rained heavily. The soccer game continued.

4. The store was closed. We went to another one.

5. The boy fell down. He kept running.

6. I forgot my umbrella. I got wet.

7. The lights went out. The teacher continued speaking.

8. We were tired. We finished the project.
