

Name _____

Appositive On The Line

An **appositive** is a noun or noun phrase that **renames another noun** right beside it. In diagramming, the appositive is placed in parentheses on the same line as the noun it renames, separated by a line.

Directions: Diagram each sentence, paying attention to the appositive.

1. My dog, Max, barked loudly.

2. The author, Shakespeare, wrote many plays.

3. Our teacher, Mrs. Lee, explained the lesson.

4. My friend, a great swimmer, won the race.

5. The city, New York, is very busy.
