

Name _____

Direct Object Diagrams

Directions: Read each sentence carefully. Diagram the **subject** and **verb** first. Add the **direct object** on the same horizontal line, after the verb.

Example Sentence: Birds build nests.

Diagram: Birds | build | nests

1. Cats chase mice. →
2. Farmers grow crops. →
3. Children read books. →
4. Teachers ask questions. →
5. The player kicked the ball. →

Expand the Core: Each sentence below starts with only a subject and verb. Add a **direct object** of your choice to complete the sentence, then diagram it.

1. Dogs chase _____. →
2. Artists paint _____. →
3. Students solve _____. →

Spot & Strip: Underline the **subject, verb, and direct object** only. Then diagram just those parts.

1. The little girl quickly eats an apple before school.
2. My father carefully fixes the broken chair in the garage.
3. The excited fans loudly cheered the team after the game.
