

Name _____

Sentence Stack Fluency

Directions: Read each **sentence pyramid** aloud from top to bottom. Start slowly at the first word, then read each line as it grows by one word. Focus on keeping your **pace steady** and your **voice smooth** as the sentence becomes longer. After reaching the final line, reread the full sentence aloud **fluently** three times. Circle your most fluent reading level (Smooth / Fair / Needs Work) after each pyramid.
