## Fix The Sequence

**Directions:** Read the passage carefully. Spot the events that are **out of order**. Then, rewrite the events in the **correct sequence** using numbers 1-4.

### Making Lemonade

Lila poured lemonade into cups for her friends. First, she squeezed fresh lemons into a pitcher. Finally, she stirred in sugar and water. Then, they all sat on the porch to enjoy their drinks.

**Correct Order:**

1.

2.

3.

4.

**Extra Challenge:** Write 4 sentences about **your favorite snack** being made or eaten, but scramble the order on purpose. Trade with a partner and have them fix the order!
