## Sandwich in Steps

How-to texts show a process in a clear order. If steps are mixed up, the task won't work! Good readers look for **clues** to put the steps back in the correct sequence.

**Directions:** Below are scrambled steps for making a sandwich. In the space provided, write the steps in the correct order.

### How to Make a Peanut Butter Sandwich

- A. Put the two slices of bread together.
- B. Spread peanut butter on one slice of bread.
- C. Place two slices of bread on a plate.
- D. Spread jelly on the other slice of bread.
- E. Enjoy your sandwich by taking a big bite!

### Extra Challenge

Write your own **scrambled how-to** with at least 4 steps (example: brushing your teeth, feeding a pet, or tying your shoes). Swap with a classmate and see if they can reorder it correctly!
