## Sandwich in Steps Answer Key

### Correct Order:

1. C. Place two slices of bread on a plate.
2. B. Spread peanut butter on one slice of bread.
3. D. Spread jelly on the other slice of bread.
4. A. Put the two slices of bread together.
5. E. Enjoy your sandwich by taking a big bite!

### Teacher Guide/Notes:

- Point out **signal words** like *first, next, then, finally* that students can add to make the sequence flow more smoothly.
- Accept small variations (e.g., if a student places "Enjoy your sandwich" as step 4 before "putting the slices together," ask them to re-check logic).
- Emphasize that how-to writing must be **practical and functional**; if the order is wrong, the task can't be completed properly.
