Step-by-Step Signals

Directions: Read the passage below carefully. **Hunt for the signal words** that show the order of events. Highlight or underline them. Then, write the list of signal words you found.

The Camping Trip

First, Liam and his dad packed their tent and sleeping bags into the car. Then, they drove for two hours until they reached the campground. After they arrived, Liam helped his dad set up the tent near the lake. Next, they built a small fire and roasted marshmallows. Finally, they lay down under the stars and listened to the sounds of the night.
