First	Then
Finally	

Baking Cupcakes

_____, Ella gathered all the ingredients she needed—flour, sugar, eggs, and butter. _____, she mixed the dry ingredients in one bowl and the wet ingredients in another. _____ combining the two mixtures, she poured the batter into cupcake pans. _____, she placed the pans into the oven and waited for them to bake. _____, Ella decorated the cupcakes with colorful frosting and sprinkles.

Extra Challenge: Write your own short **Sequencing Cloze** (5 sentences) about an activity you enjoy (playing a sport, cooking, or getting ready for school). Leave out the time-order words for a partner to fill in.
