## Kite Story Sequence

**Directions:** Based on the passage below, **predict what happens next**. Write your prediction in 2-3 sentences. Use sequencing words like *then*, *after*, *finally* in your response.

### The Kite in the Tree

Sofia ran across the field with her bright red kite. The wind picked up, and the kite soared higher and higher. Suddenly, a strong gust pushed the kite into the branches of a tall oak tree. Sofia tugged on the string, but the kite was stuck.

Your Prediction:

**Extra Challenge:** Think of a time when something didn't go as planned (like a toy breaking or a game getting interrupted). Write 3 sentences to describe what happened and **predict what could have happened next** if things turned out differently.
