

Name _____

Garden Sprout

Directions: Read the short story. Then sort the events into **first**, **next**, and **last**.

Mia found a tiny seed in a packet on the kitchen table. She dug a small hole in the dirt and placed the seed inside. Mia gave the soil a gentle splash of water. A few days later, a little green sprout popped up from the ground.

Write each event under the correct heading.

Events to sort:

- A green sprout popped up from the ground.
- Mia put the seed into the soil.
- Mia poured water on the dirt.

FIRST

NEXT

LAST

Draw and Tell: Draw what happened **last** in the story. Then write one sentence using the word **last**.

Sentence:
