Directions: Read the passage below. **Draw** the setting as described. Then, **label** each part of your drawing with the words from the passage (cabin, lake, pine trees, dock, rowboat, birds, mist).

The small wooden cabin sat at the edge of a quiet lake. Tall pine trees surrounded the cabin, their branches swaying gently in the cool breeze. A soft mist hovered over the lake, making the water sparkle in the morning sunlight. Near the cabin, a wooden dock stretched into the water where a single rowboat was tied. Birds chirped high in the trees, adding music to the peaceful scene.

A large, empty rectangular box with a blue border, intended for the student to draw the scene described in the passage.

Extension Question: Write two sentences explaining how the setting makes you feel. Use descriptive words (peaceful, calm, mysterious, etc.).
