Seaside Setting Web

Directions: Read the passage carefully and underline details that describe the setting. Then, create a Setting Web.

The small seaside village was quiet at dawn. Wooden boats rocked gently in the harbor while gulls cried overhead. The salty smell of the ocean mixed with the smoke rising from chimneys. Cobblestone streets wound between cottages with bright flower boxes in the windows. The golden sunlight reflected on the waves, painting the water with sparkles.

Create a **Setting Web**: Write "Seaside Village" in the center circle. In connected bubbles, list details about:

- Place
- Time
- Weather/Environment
- Sights
- Sounds
- Smells

Write two sentences that explain how these details work together to create the setting's mood.
