Seaside Setting Web Answer Key

1. Underlined setting details:

- "seaside village"
- "quiet at dawn"
- "wooden boats rocked in the harbor"
- "gulls cried overhead"
- "salty smell of the ocean"
- "smoke rising from chimneys"
- "cobblestone streets"
- "cottages with bright flower boxes"
- "golden sunlight reflected on the waves"

2. Sample Setting Web (students' diagrams may vary):

Center: *Seaside Village*

- **Place:** harbor, cobblestone streets, cottages
- **Time:** dawn
- **Weather/Environment:** sunlight, gentle waves
- **Sights:** boats, flower boxes, golden sparkles on water
- **Sounds:** gulls crying, boats rocking
- **Smells:** salty ocean, chimney smoke

3. Sample sentences for mood:

- The setting feels peaceful because of the quiet dawn, gentle waves, and sparkling sunlight.
- The details create a calm, welcoming mood that makes the village seem cozy and alive.

Teacher Notes

- Accept any accurate concept map as long as it organizes setting details into categories.
- Students may add extra categories (touch, taste) if they find fitting details.
- Encourage color-coding or doodles in bubbles for engagement.
- Extension: Have students compare two different Setting Webs (e.g., seaside vs. desert) to see how settings build different moods.
