Locker Rescue

Directions: Read the passage. Answer each question. Then **underline the sentence** from the text that supports your answer.

During fourth grade recess, Jamal hurried to his locker to grab his lunchbox. When he opened the door, his science notebook slipped out and slid across the floor. Several students rushed past, but Jamal felt stuck as he tried to gather his things. Suddenly, his classmate Tia stopped, picked up the notebook, and handed it back with a smile. Jamal thanked her and made it outside just in time for lunch.

1. What problem does Jamal have at the locker?

2. Who helps Jamal solve his problem?

3. How do you know Tia was being kind?

4. Why is Jamal able to make it to lunch on time?
