Short or Long? The Great Prompt Debate! Answer Key

1. Brainstorm ten silly new ice cream flavors.

Best Fit: Short Prompt

Reason: A short prompt gives the AI freedom to be creative and come up with unexpected, funny ideas.

2. Write a professional business email asking for a job interview.

Best Fit: Long Prompt

Reason: A long prompt ensures the tone, structure, and details are correct for a formal business setting.

3. Generate a random fun fact for the morning announcements.

Best Fit: Short Prompt

Reason: The task is simple and doesn't need a lot of detail or structure.

4. Create a 3-paragraph essay about why recycling is important, including three main arguments.

Best Fit: Long Prompt

Reason: A long prompt is needed to guide the structure, length, and content of the essay.

5. Come up with three funny names for a new video game.

Best Fit: Short Prompt

Reason: This is a playful, open-ended task where creativity is more important than rules.

6. Write a formal legal disclaimer for a new company's website.

Best Fit: Long Prompt

Reason: A long prompt makes sure the AI uses the right tone and includes all necessary formal details.
