

Name _____

Fluency Dash

Directions: You will see a list of short sentences that contain **target sight words** (like *the, said, have, they, come*). Read each sentence **aloud three times**, aiming to read faster and smoother with each repetition. Use a timer to track your speed for each round. Record your times in the chart provided. Focus on **accuracy first**, then **speed**. Do not skip or guess words.

| Sentence | Round 1 Time | Round 2 Time | Round 3 Time |
