

Name \_\_\_\_\_

## Sight Word Connection

**Directions:** Read each group of sight words in a chain **from left to right**. As you read, connect the words into **natural phrases**; don't pause between words. Reread each chain three times: first slowly, then smoother, then faster.

### Chain 1

I → can → see → the → moon

### Chain 2

You → are → my → best → friend

### Chain 3

They → will → go → to → school

### Chain 4

She → is → in → the → garden

### Chain 5

We → have → a → new → puppy

### Chain 6

He → said → it → was → funny

### Chain 7

The → sun → is → very → bright

### Chain 8

This → is → our → favorite → book

### Chain 9

It → was → on → the → table

### Chain 10

We → can → play → outside → now

**Build a Sentence:** Choose one chain and rewrite it below as a smooth, complete sentence. Add punctuation!
