## Tomorrow's World

**Directions:** Imagine you are a **future predictor!** Look into your crystal ball and write predictions about the world, your school, and yourself. Each prediction must use the **simple future tense (will + base verb)**. Be creative and think about what could happen in the future.

Write one sentence for each category:

1. **The World:** In 50 years, the world will \_\_\_\_\_.
2. **Technology:** In the future, people will \_\_\_\_\_.
3. **School:** Next year, my class will \_\_\_\_\_.
4. **Family:** My family will \_\_\_\_\_.
5. **Myself:** I will \_\_\_\_\_.

**Free Predictions:** Write **three of your own predictions** about anything you want. Make sure each sentence uses **will + base verb**.

(Example: People will travel to the moon for vacations.)
