

Name _____

Tomorrow's World Answer Key

Sample Answers (students' responses will vary)

1. The World: In 50 years, the world **will use** only clean energy.
2. Technology: In the future, people **will drive** flying cars.
3. School: Next year, my class **will visit** a science museum.
4. Family: My family **will move** to a new house.
5. Myself: I **will become** a great artist.

Sample Predictions (students' responses will vary)

- People **will discover** new planets.
- Students **will learn** using robots as teachers.
- I **will play** guitar in a band.

*(Teacher's Notes: Since this is a writing-based task, answers will vary widely. Focus on ensuring every prediction follows the **simple future structure**: "will + base verb.")*

Encourage imaginative thinking but check for verb accuracy.)
