(Teacher's Notes: Students should focus on switching to "will + base verb" regardless of whether the original sentence is in present or past tense. Encourage them to notice verbs in past tense and correctly convert them, e.g., "won" → "will win.")

Sample Predictions (answers will vary)

- People will live on Mars.
- Students will study with robots.
- The oceans will rise higher.

*(Teacher's Guide: Accept any creative predictions as long as they use the **simple future tense** correctly.)*
