

Name _____

Ask The Future

Directions: A fortune teller has written some predictions as **statements**. Your job is to turn each statement into a **question** using the **simple future tense (Will + subject + base verb?)**. Be sure to start each question with **Will** and end with a **question mark**.

1. You will meet a new friend.

2. She will travel to Paris next summer.

3. They will play soccer after school.

4. He will finish his homework before dinner.

5. We will eat pizza for lunch.

6. The teacher will give a surprise quiz.

7. I will read a new book next week.

8. My parents will cook spaghetti tonight.

9. The dog will bark at the mailman.

10. Our team will win the championship.
