

Name _____

Cancel The Future

Directions: A magical calendar shows what people **think** will happen. But not everything in the future will actually happen! Rewrite each sentence in the **negative form of the simple future tense** using **will not (won't) + base verb**.

1. She will eat ice cream tomorrow.

2. They will play soccer after school.

3. We will go to the park this afternoon.

4. He will finish his homework before dinner.

5. I will buy a new video game next week.

6. The teacher will give a test on Friday.

7. My parents will cook chicken tonight.

8. The dog will bark at the cat.

9. Our team will win the game.

10. You will watch a movie later.
