Post 8: We wrote notes to each other during class.

Post 9: I went to the beach and swam in the ocean.

Post 10: She sang her favorite song at the talent show.

Teacher Notes / Guide

- **Objective:** Practice converting present tense verbs into the **simple past tense** in a fun, modern context.
- **Method:** Students rewrite "today's post" into a "Flashback Friday" post, emphasizing verb change.
- **Extension Idea:** Students can create their own "today" social media post and swap with a partner to rewrite as a flashback. This encourages creativity while reinforcing verb tense changes.
