## Present Fixes Answer Key

### Corrected Paragraph

Every morning, Jake **wakes** up at 7:00. He **brushes** his teeth and **eats** cereal for breakfast. Then he **goes** to school by bus. In class, he **listens** to the teacher and **writes** notes. At lunch, he **talks** with his friends and **drinks** juice. After school, Jake **plays** basketball at the park. He **does** his homework in the evening and **watches** TV before bed. Finally, he **sleeps** at 10:00.

### Teacher Notes

- This activity strengthens **proofreading** and **subject-verb agreement** skills in the simple present tense.
- Encourage students to read the corrected version aloud to **hear the verb changes**.
- Extension: Have students **write their own short daily routine paragraph**, purposely adding 5 verb errors, then swap with a partner to edit.
