

Name _____

Dr. Zapp's Present

Directions: Dr. Zapp's time machine has gone haywire! It scrambled his story into all sorts of tenses. Your mission is to repair the time machine by **rewriting** each scrambled sentence into the **simple present tense**.

1. Yesterday, Dr. Zapp **was running** around the lab with a screwdriver.

2. Tomorrow, he **will test** a new control panel.

3. Last night, sparks **flew** from the engine.

4. He **is repairing** the broken wires right now.

5. The machine **has traveled** to the year 3000 before.

6. Dr. Zapp **was fixing** the buttons when they melted.

7. In the future, he **will build** a stronger door.

8. The lights **were flashing** yesterday during the experiment.
