## Dr. Zapp's Present Answer Key

### Rewritten in Simple Present Tense

1. Dr. Zapp **runs** around the lab with a screwdriver.
2. He **tests** a new control panel.
3. Sparks **fly** from the engine.
4. He **repairs** the broken wires.
5. The machine **travels** to the year 3000.
6. Dr. Zapp **fixes** the buttons.
7. He **builds** a stronger door.
8. The lights **flash** during the experiment.

### Teacher Notes

- This worksheet highlights how verbs change across **past, future, continuous, and perfect tenses**, then anchors them back into the **simple present**.
- It strengthens students' ability to identify tense shifts and practice consistent verb conjugation.
- Extension: Challenge students to invent **two more scrambled time machine sentences** in any tense and then rewrite them in the simple present.
