Teacher's Guide

- This activity reinforces key geography vocabulary related to South America.
- Read through the word bank with students before they begin to ensure familiarity with each term.
- Encourage students to reread each completed sentence to confirm accuracy.

Engagement Ideas

- Turn the worksheet into a team challenge where groups earn points for correct answers.
- Have students act out or draw one vocabulary word and let classmates guess the term.
- Use a map to trace the locations mentioned after the worksheet is completed.

Extension Activities

- Assign a research question about one of the word bank terms to deepen understanding.
- Have students create their own word bank and write new fill in the blank sentences.
- Connect the activity to culture by asking students to explore foods, traditions, or wildlife from one of the countries featured.
