

Name _____

Exploring Spain

Directions: Read the passage about Spain. Then answer the questions that follow. Use complete sentences when needed.

Spain is a country in **southern Europe**, located on the Iberian Peninsula. It shares borders with Portugal and France, and it has long coastlines along the Mediterranean Sea and the Atlantic Ocean. Spain's capital city is **Madrid**, which is known for its busy plazas and impressive museums. Another well-known city is **Barcelona**, a place famous for colorful buildings and lively streets.

Spain has a warm climate in many areas, especially along the southern coast. People visit Spain to enjoy sunny beaches and outdoor festivals. One of the most famous landmarks is the **Sagrada Familia**, a giant church in Barcelona that has been under construction for many years. Another landmark is the **Royal Palace** in Madrid, where kings and queens held important events. Spain is also known for delicious foods like **paella**, a rice dish filled with seafood or meat.

Spain's mix of history, geography, and culture makes it an exciting place to learn about and explore.
