### Teacher's Guide

#### Differentiation Tips

- Provide picture cards of each dish for visual learners.
- Read descriptions aloud to support students who need help decoding text.
- Reduce the list to five dishes for students who need extra guidance.
- Challenge advanced students to write their own description for an additional Spanish food not listed.

#### Engagement Ideas

- Start with a quick discussion about foods students already know from Spain or other countries.
- Show short video clips or images of each dish to support comprehension.
- Have students vote on which dish they would most like to try based on the descriptions.

#### Extension Activities

- Students write a mini menu including three Spanish dishes and one sentence describing each.
- Create a food map of Spain showing which regions are known for certain dishes.
- Encourage students to compare one Spanish dish to a dish from their own culture.
