### Teacher's Guide

#### Differentiation Tips

- Provide vocabulary help with words such as **sculptures**, **tradition**, **festival**, **community**.
- Allow students to highlight key details in the passage before answering questions.
- Offer sentence starters such as Las Fallas is held in or La Tomatina includes.
- Pair struggling readers with partners for shared reading.

#### Engagement Ideas

- Show pictures of the festivals to help students visualize each event.
- Create a class discussion about why people enjoy festivals and celebrations.
- Ask students which festival seems the most exciting and vote as a class.

#### Extension Activities

- Have students design their own festival and write three sentences describing it.
- Students can create a simple poster about one of the Spanish festivals.
- Compare Spanish festivals with celebrations in the students' home countries.
