Teacher's Guide

- Review onset and rime before starting. Explain that **spl** is the onset and the rest of the word is the rime.
- Support emerging readers by reading the passage aloud and pausing at each **spl** word to identify it together.
- Encourage students who need extra practice to clap the onset and rime as they break the words apart.
- Challenge advanced students to think of one new **spl** word and split it into onset and rime in their notebooks.
