## Spl- Word Fix Answer Key

1. A big splotch of paint landed on the floor.
2. Mom said the cake looked splendid on the table.
3. I heard a loud splat when the ball hit the mud.
4. The icy branch split in half when the wind blew hard.
5. The artist made a colorful splatter on the page.
6. Dad told me not to splurge on too many treats.

### Teacher's Guide

- Review each **spl** word's correct spelling before beginning and discuss how the blend stays the same but the ending changes meaning.
- Support students by having them read each sentence aloud to identify which word "sounds wrong" before correcting it.
- Encourage them to underline the error first, then write the corrected sentence neatly to reinforce mastery.
- Challenge advanced learners to create their own mistaken sentence and swap with a partner to correct.
