4. I saw a splatter in the sky when the fireworks popped.
5. She made a tiny splendid display of flowers for the table.
6. We stepped in the puddle and heard a big splat in our shoes.

Teacher's Guide

- Begin by reviewing common **spl** words and their meanings to help students distinguish between similar-looking words.
- Support students by prompting them to think: "Does this word make sense in the sentence?" before rewriting.
- Encourage students to read the corrected sentence aloud to confirm clarity and accurate meaning.
- Challenge advanced learners to create a pair of sentences, one correct and one incorrect, and have a partner identify the mistake.
