Teacher's Guide

- Start with a quick oral warm-up where students say the **spl** blend three times to build articulation.
- For students who need support, model the first item by showing how adding **spl** changes the beginning of the word.
- Challenge advanced learners to write a short sentence using two completed **spl** words.
- Encourage students to check their own work by reading each completed word aloud and making sure it sounds correct with the **spl** blend.
