

Name _____

Spl Rhyme Match Answer Key

1. splat → hat (C)
2. split → bit (D)
3. splash → dash (A)
4. splot → hot (B)
5. splendid → blended (E)

Teacher's Guide

- Begin by reviewing what a **rhyme** is and have students practice listening for ending sounds before starting.
- For students needing extra support, read all words aloud and let them repeat each pair to hear the rhyme clearly.
- To extend learning, ask students to think of another rhyme for one of the **spl** words and share it aloud.
- For advanced students, provide two extra challenge words and ask them to create their own rhyming partners.
