Max woke up early on Tuesday. He had big plans for the day! First, he wanted to email Dr. Smith about his appointment. Dr. Smith was very busy, so Max knew he had to send it soon.

After breakfast, Max decided to learn more about the Amazon River. He loved reading about the amazing animals that live there. He even imagined himself exploring its waters, far from his hometown.

That same afternoon, Max called his friend. "Are you still planning the trip to London?" he asked excitedly. His friend confirmed they would indeed go next year. Max smiled, already dreaming of seeing Big Ben and all of London's famous landmarks. It was a long way from the Amazon, but just as exciting. What a great Tuesday!
