Lily woke up feeling excited. It was Friday, and she had a special plan: a video call with her cousin, Noah, who lived far away.

First, Lily decided to draw a picture of the Eiffel Tower, a famous landmark she hoped to see one day in Paris. She added tiny people and colorful lights.

Later, Noah called. He told Lily all about his new pet, a playful kitten named Whiskers. They chatted for a long time, sharing stories of their week. Lily showed him her drawing of the Eiffel Tower, and Noah promised to send her a picture of Whiskers playing. It was a perfect Friday for both of them, even though they were in different places.
