

Name _____

answers Spot the Letter

Instructions Become a letter detective! Read each sentence very carefully and find all the "i" letters (uppercase and lowercase) you see. Then, circle them in each word where you find them.

<p>The children run in the field.</p>	
-----------------------------------------------	------------------------------------------------------------------------------------

<p>The night is dark and there are many stars.</p>	
----------------------------------------------------------------	--------------------------------------------------------------------------------------

<p>We put the clothes in the closet.</p>	
--------------------------------------------------	--------------------------------------------------------------------------------------
