

Name _____

Spr- Rhyme Match Answer Key

spray → play

spring → ring

sprout → shout

sprig → twig

sprain → train

spry → sky

spree → tree

sprint → hint

Teacher's Guide

- Begin by reviewing the **spr** blend and reading each spr word aloud with students.
- Teach or review what a **rhyme** is and model one example before students begin the activity.
- For support, encourage students to say each pair out loud to hear matching ending sounds.
- For emerging readers, provide picture clues for words like sprout, sprig, and spree.
- For extension, have students write their own spr word and create two rhyming partners for it.
